INTRODUCTION

Our AAPS is offered for continuing medical education of residents, fellows, and practicing physicians as a subject(specific operation) oriented education program.

During our education we provide

- Everyday Q&A session
- Observation for every specific cutting edge operations in BANO BAGI Plastic surgery Clinic
- Introduction & Intensified lecture on specific topic or operation by highly experienced surgeon on your demand
- Dedicated interpreters during your education (🇨🇳 🇹🇼 🇻🇳 🇺🇸 🇯🇵 🇷🇺 🇮🇩)

We will try to give you not only surgical techniques, but also pre & post operative management of the patient, aesthetic standards from different cultures, our clinical experiences, and more.

Also we will provide continuous support for your practice after graduation via email.
